WATER EDUCATION TODAY

FACILITATOR WORKSHOP

MARCH 30, 2023

8:30 AM - 4:30 PM

1655 Enterprise Way
Marietta, GA 30067

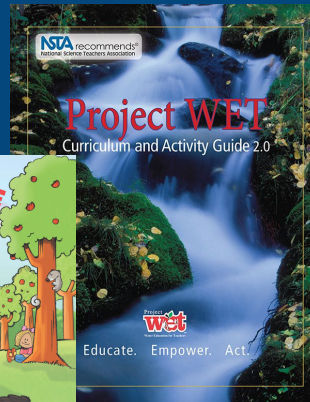

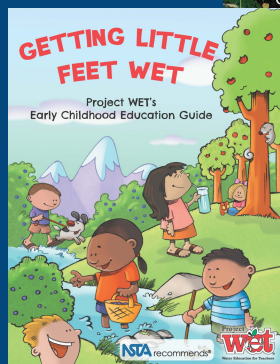

Registration is now open for our upcoming facilitator workshop hosted at the Georgia Association of Water Professionals Headquarters in Marietta, GA. Lunch is included in the cost of registration.

This training will demonstrate how to successfully plan, advertise and lead a Project WET educator workshop in Georgia. We will cover best practices including ways to make activities engaging, adapt content relevant to Georgia's water environments, ways to use resources available to facilitators, and so much more!

For more information and to register, scan the QR code below or visit our website at projectwet.georgia.gov to access the workshop calendar. Contact projectwet@dnr.ga.gov with questions regarding this event.
