Join WILD, WET, and PLT in exploring three early childhood curricula that target ages 3-9. This workshop is limited to 30 participants. Please pre-register by returning the completed form (below). A confirmation e-mail will be sent upon receipt. For additional information, contact Amber Barrow at 770-784-3059 or [amber.barrow@dnr.ga.gov](mailto:amber.barrow@dnr.ga.gov).

 **Growing Up WILD: Exploring Nature with Young Children** is an early childhood education activity guide that builds on children’s sense of wonder about nature and invites them to explore wildlife and the world around them.

 **Environmental Experiences for Early Childhood** is an early childhood education activity guide that integrates nature-based exploration, art, literature, math, music and movement, and outdoor play into early childhood education programs. It allows children to explore, discover, and communicate in expressive ways.

 **Getting Little Feet Wet** is Project WET’s early childhood curriculum. Getting Little Feet Wet contains interactive, hands-on activities for young learners to explore different aspects of water—from water properties to water sounds.

 Participants will receive three curriculum guides and instruction on how to incorporate 49 classroom-tested activities and lesson plans into your classroom or learning environment. Participants will also receive a CD with 14 tracks that correlate with some of the activities as well.
