WHAT IS PROJECT WET AND PROJECT LEARNING TREE?

- Environmental Education that is correlated to the Georgia Standards for Excellence
- Research-based and field tested
- Interdisciplinary, integrative, hands-on and activity-based
- Fun for students and instructors, indoors or out

WHAT ARE THE BENEFITS OF CERTIFICATION?

- Educator Certification is specifically for individuals interested in learning how to use and implement the curricula.
- Access to resources to help you make the most out of training!
- Network with natural resource professionals and other educators.
- See how STEM and the environment are connected.
